Description:

Decorative pictorial map of New Zealand, by the celebrated illustrator, MacDonald Gill.

Relief shown pictorially. Illustrating the locations of various industrial and natural resource,, such as farmland, mines and forests. Includes New Zealand coat of arms, a compass and Key to symbols. Map has various texts.

As noted in the text inset: "In War and Peace: When war broke out New Zealand industries were unprepared for munitions production. To-day New Zealand is not only manufacturing many kinds of munitions for her own defence but is making a valuable contribution to the defence of the other areas in the Pacific. When the war is over, New Zealand will convert her new industries for peace-time
