Description:

Scarce large format map of New Mexico Territory, published by the General Land Office.

The map shows county boundaries, military and Indian reservations, national forests, confirmed private land claims, boundaries of unconfirmed private land claims, confirmed claims needing new boundary lines, and U.S. reservoirs shown in color.

Also shows status of public land surveys, towns and cities, and railroad lines. Relief is shown by hachures. A nice example of this scarce map.

Detailed Condition:

Paper loss in margin, at center right, just outside the printed image.
