Tremendous large format map of Arizona, which has been dissected and laid on linen in order to fold into a binding. One of the most highly detailed maps of Arizona of its time, it reflects the progress of the state surveys and shows towns, roads, rivers, mountains, lakes, Indian Tribes and Reservations, Railroads, Forts, mines and many other early details. Perhaps the best large format map of Arizona of the period. Minor chipping at the folds, else a nice example. Normally a \$500.00 map.
