Description:

Fine old color example of Pierre Mortier's large map of the Canadian Polar Regions, Greenland and Iceland, which appeared in his *Suite de Neptune Francois*.

Among the more remarkable elements of the map is the depiction of "Destroit d'Anian," showing the Straits of Anian extending from Button's Bay toward the Pacific Ocean, offering a hopeful passage to the Pacific Ocean via a remarkably southerly course for the period.

Detailed Condition:

Old Color. Minor separation at upper fold.
