Description:

Fascinating caricature map locating the homes of the Stars, drawn by Mary Margaret Netz, printed by Chancey-Lynds Company of Beverly Hills and published by Hal-Mar-Car Map Co., 9528 Brighton Way, Beverly Hills, California.

The word "Hollywood" is spelled wrong, suggesting the map was likely never revised or corrected.

The map includes some classical elements from historical cartography, including the decorative embellishments in the corners and the faux windheads, along with a compass rose. Dozens of movie star homes are located and illustrated, with addresses given.

OCLC locates only a single copy of the map.

Detailed Condition:

Laid on thick board.
