Description:

Decorative large format map of Java, with an inset of the bay of Batavia in the lower left corner.

Two title banners include a short sketch of the history of the Dutch on the island, *Remarques sur l'Etablissement des Hollandois à Java*, written by Gueudeville. The latter provided historical notes to the countries depicted on the maps. At the left and right outer margin, there is a list with cities, *Table des Villes de l'Ile de Java*. The map graphically depicts rice fields, mountains, forests, cities, villages and even elephants.

From Chatelain's monumental 7 volume *Atlas Historique*.
