Description:

Rare chart of the Southern Celestial Sky, originally prepared by Carel Allard, with the present edition issued by Covens & Mortier.

This fine view of the Southern Hemisphere depicts the constellations of the southern skies, with additional images of a solar eclipse (of May 12, 1706) depiction, solar, lunar and planetary depictions and astronomical diagram insets on the southern chart.

The view is exceptionally rare. We locate only a single set of hemispheres for the Covens & Mortier edition and a single set for the Allard edition, offered for sale in the past 30 years.

Detailed Condition:

Old Color Minor foxing in margins.
