**Size:** 12 x 8.5 inches  
**Price:** SOLD

### Description:

Rare map of Poland, which apparently appeared in a scarce French edition of Baron de Puffendorf's *L'Introduction a l'Histoire Universelle*.

The map shows mountains, forests and marshes, depicted graphically and hundreds of towns and villages located.

The cartouche is contained within a decorative cartouche.

The map is apparently quite rare. We locate only a single example at auction in the past 30 years.

### Detailed Condition:
