Description:

Fine map of Napa Valley, published by the Napa Valley Art Studio and copyrighted by Gary Weatherly.

The map depicts Napa Valley, dissected by Highway 128. Several other roads are also noted.

The map extends from Storybook Mountain, the Chateau Montelena Winery and Pople Valley in the north, to Napa, Mont St. John and Acacia in the south, locating dozens of wineries, as well as towns, golf courses, roads and Lake Hennessy.

One of the few maps of Napa Valley which focused on the wineries which we have seen in the last 20 years.

Gary Weatherly briefly operated the Napa Valley Art Studio from about 1979 to 1981 with James Michael
