**Date:** 1560 circa  
**Place:** Basle  
**Color:** Uncolored  
**Condition:** VG  
**Size:** 14 x 10 inches  
**Price:** Not Available

### Description:

Fine early view of Chur, from a French edition of Munster's *Cosmographia*.

This woodcut view shows the walled city of Chur, capital of the Swiss canton of Grabünden. Possibly the oldest city in Switzerland, with its valley showing evidence of having been settled for over five thousand years, Chur is attractively located in the alps.

Like with many of Munster's works, this is one of the earliest obtainable views of the city.
