**Description:**

Gorgeous plan and birdseye view of Florence, published by the Heirs of J.B. Homann in Nurmberg.

The plan and view of Florence is now one of the most coveted, providing a marvelous panoramic view of the city from the hillside beyond the Arno, an elegant coat of arms held aloft by three cherubs and excellent detail in the townplan, locating over 100 places of interest.

In the mid-17th Century, the Homann Heirs produced a series of town plan birdseye view combination maps of major European Cities.
