### Description:

Scarce Pieter Schenk map of Poland, which is attributed to an earlier map published by Sanson.

The map extends to the Black Sea and Vienna in the south and to Estonia in the north, exhibiting the strong engraving style of Schenk's early work.

The map is scarce on the market.

### Detailed Condition:

Lower corners and side margins reinforced, with some loss, which has been expertly restored. Minor repairs at the top center margin. The whole map has been backed with a thin sheet of archival paper to support the repairs and minor paper weakness.
