Description:

Nice example of the French edition of this early map of Delaware from Carey & Lea's Atlas.

Includes wonderful contemporary details concerning the topography, indigenous lands, rivers, climate, towns, manufacturing, commerce, education, history, population by county, and other information. Roads, towns, rivers, and lakes, included on map. Key note flags for several remarkable battles.

Carey & Lea's Atlas is highly prized not only for its cartographic information but the marvelous information about each of the states and territories included. The atlas was issued in 6 editions in English, French & German, between 1822 and 1827.

The French edition is generally the most highly regarded, in terms of the quality of the paper and engraving.
