Description:

Nice example of the first edition of Carey & Lea's map of Canada and the Great Lakes.

The map covers Upper and Lower Canada and the Great Lakes, extending west to the Lake of the Woods and Red Land House and the Severn River, showing nice Indian details.

The map is surrounded by details on the country, its soil, climate, history, populations, city information, government and a host of other historical and political details. Carey & Lea's Atlas is highly prized not only for its cartographic information but the marvelous information about each of the states and territories which is included. The atlas was issued in 6 editions in English, French & German between 1822 and 1827.

Detailed Condition:

Minor discloration at centerfold.
