## Bologna

**Stock#:** 40676  
**Map Maker:** Florimi  
**Date:** 1595 circa  
**Place:** Siena  
**Color:** Uncolored  
**Condition:** VG  
**Size:** 20 x 16 inches  
**Price:** SOLD

### Description:

Important early plan of Bologna by Matteo Florimi, derived from Antonio Lafreri's plan of Bologna from 1573.

The map includes a key locating 86 early place names, with two notes from the publisher regarding the map contents. The exceptional detail of Florimi's work is evident.

### Detailed Condition:

Mounted on linen with rollers.
