Description:

Fine large format separately published sea chart of Martha's Vineyard and Buzzard Bay, prepared by the US Coast & Geodetic Survey.

A precisely detailed work that displays at its finest the charting work of the USCG Survey. In addition to all of Martha's Vineyard and Vineyard Sound, the chart includes the Elizabeth Islands and Falmouth on Cape Cod with Wood's Hole (here Holl).

The area's lighthouse are listed and described in some detail. First published in 1860, but updated many times, this edition of the chart was supervised by W. W. Duffield.
