Description:

Interesting example of Ernest Dudley Chase's sought after map of New England.

Pictorial map of New England, filled with drawings of buildings, landmarks and historic sites, along with a few animals and depictions of people engaged in activities such as fishing, skiing and gathering blueberries.

There are several larger inset illustrations of historic homes, state houses and other buildings, and a large compass rose.

Geographical features include cities and towns, mountains, rivers, ponds, lakes and hiking trails.
