Description:

Fine example of this fascinating decorative map of Southern California.

Extends from Malibu Beach, Topanga Canyon and Mission San Frenando to Ensenada, centered on San Juan Capistrano in the west. Death Valley, Las Vegas, Needles, Parker Dam and the Ssalton Sea appear on the Horizon. A remarkable tourist/characture map, showing the points of interest in Southern California and illustrated with decorative scenes of California's history and pre-history (the La Brea Tar Pits!).

On the beach in La Jolla, a female surfer is shown.

A lively and highly artistic view of Southern California.
