### Description:

Large and detailed map of Arizona in outline color by county.

The map is highly detailed, and includes a key identifying the 7 Railroads then operating in Arizona, including the Arizona & New Mexico Railroad, Arizona & Southeastern Railroad, Atchison Topeka & Santa Fe Railroad, Central Arizona Railroad, Maricopa & Phoenix Railroad, Prescott & Central Railroad, and the Southern Pacific Railroad. Dozens of mining areas and boom towns are shown.

We have dated the map based upon the appearance of Coconino County (formed in 1891) and the early short list of railroads.

Issued in Cram's scarce *Standard American Railway Atlas*.
