Description:

Marvelous map of North America, including double wide Arkansas Territory, massive Missouri Territory extending to the Rocky Mountains, wonderful early Russian Territory with a still primitive coastline, etc. Oregon is New Albion. The Columbia River is shown in nice early detail. New California is a Mexican possession. Nice detail in Texas, which is yet to become a Republic. Excellent detail up the Rio Colorado. The continuous Rio Sacramento extends tentatively to the Great Salt Lake (Teguayo). Very nice detail along the Rockies. A remarkably detailed and interesting early map.
