L'Amerique Septentrionale

Stock#: 4352
Map Maker: Anonymous
Date: 1796
Place: Paris
Color: Uncolored
Condition: VG+
Size: 7 x 6 inches
Price: SOLD

Description:

Uncommon map of North America, with inset of the French Antilles. Shows a very incomplete NW Coast of North America, Nlle. Albion, Quivira, Teguayo, etc. The River of the West still appears, connecting the Pacific To Hudson Bay. Perhaps the most interesting feature is the odd dog leg shape of the Baja. Many Indian Tribes named. A terrific little map.
