**Description:**

Lively pictorial map of Joshua Tree National Monument and environs, by Westways illustrator Lowell Butler.

The map provides a whimsical look at Joshua Tree, the Palm Springs, Indio, Salton Sea and Hemet Area.

There is no printing on the verso.

The map is quite scarce--we cannot locate another example. This is also one of the earliest maps of Joshua Tree National Monument. We find only a single Government map printed in 1936 which pre-dates this map.
