Description:

A fine example of this decorative map, first engraved by Blaeu. Covers the Gulf of Venice from Puerto Di Ascoli and Ragnola Rino t Pesaro, with Anconia at the coastal center, then extending inland to the Alps. Decorative title cartouche, 4 sailing ships compass rose. Several plate break at the right margin, but the map itself is a fine example with wide full margins. Fascinating example of the printed art and the duration of use of the copperplates which produced these maps.
