Stock#: 44386
Map Maker: Meyer
Date: 1845
Place: Hildburghausen
Color: Outline Color
Condition: VG
Size: 14.5 x 11.5 inches
Price: SOLD

Description:

Republic of Texas shown on a German Map of the United States.

Detailed map of the United States, showing Texas as a Republic, Upper California as part of Mexico, from Meyer's Hand Atlas.

A highly detailed and unique map, which includes large western Territories including Ozark District, Osages Districk, Sioux District, Huron District, Mandan District and Oregon Disrict.

While many of the maps in this atlas are based upon the work of Tanner and SA Mitchell, this map is clearly a unique product and lacks the Paris and Philadelphia references present on many other maps from this atlas. A scarce and desirable map. A bit of toning and offsetting, but a nice example.
