Description:

Meticulous hand drawn chart of Bombay (Mumbai), based upon the Mannevillette chart of Bombay, drawn on Whatman watermarked paper, with a date of 1830.

The chart identifies the major islands and man made structures, including a plan of Bombay and Fort Neuf de Dungary, along with Fort Varoli, Fort Mahen and Fort Suree on the Island of Bombay.

As the map is drawn in French, using English paper, it is quite possible the map was drawn in Bombay.

This is the first manuscript map or plan of Bombay harbor we have seen on the market.
