**Description:**

Highly detailed map of Panama, extending from the Carabian to Panama Bay and showing over 100 place names, mountains, villages, rivers, lakes, etc. Includes roads and routes, and mtn elevations. One of the best regional maps of Panama of the 19th Century. Augustus Petermann published a series of works in the mid to late 19th Century which compiled many maps of scientific travel and exploration. In most cases, the original maps are nearly impossible to attain, making Petermann's works highly collectable.
