**Condition:** VG+  
**Size:** 10 x 8 inches  
**Price:** SOLD

### Description:

An interesting regional map, showing Bucken Fjord and islands, Lyse Fjord and the town of Stavanger. Augustus Petermann published a series of works in the mid to late 19th Century which compiled many maps of scientific travel and exploration. In most cases, the original maps are nearly impossible to attain, making Petermann's works highly collectable.
