#### Description:

Early map in the series of Johnson's maps of this region, the first edition to include Colorado Territory.

In this edition, Kansas extends to the Rocky Mountains and Nebraska extends to Oregon Territory and Canada.

In the next edition, Kansas gives way to Colorado and Nebraska is truncated by Dakota, but still extends to Rockies.

Includes Indian names, forts, early roads, proposed railroad routes and other early features.

One of the most fascinating early territorial maps of this region.
