Description:

Rare Old Color Map of Rotterdam

Finely engraved plan of Rotterdam, published in Amsterdam by Carol Allard.

The present example is a variant of the edition in the BNF, which is attributed to Jacobus Allard and lacks credit and privilege below the right text column.

Most notably, the lettering for the Maas River (Mosa Fluvius) has been completely changed and relocated. A number of place names on the key have been changed and many new place names have been added to the key, including:

- 3b
- 23b
- 53b
- 55b
- 56b
- 66b
- 86b
- 105b
- 155 (erroneously skipped in the earlier states)
