Description:

One of the Earliest Appearances of Alabama Territory

Striking map of the United States, published shortly after the creation of Alabama Territory.

The map includes a number of mis-projections, most notably in Illinois, Indiana and Alabama Territory.

The map shows the United States on the eve of the passage of the Adams Onis Treaty in 1819, which defined the Spanish-American Boundary, after the uncertainty created by the American acquisition of Louisiana Territory in 1803.
