Description:

A Santa Clara Valley Rarity

Rare bird's-eye view centering on the Santa Clara Valley, showing Silicon Valley nearly 100 years prior to its ascendancy as the technology capital of the world, which illustrates the *Grand Army Edition* of the *Daily Mercury*. San Jose, California. Special Edition, June 1886.

The entire work is richly illustrated, with a section on Stanford University. The contents are in good condition, with some minor internal problems.

The view is rendered from San Francisco, with south shown at the top. The view extends from southern

Drawer Ref: Northern
