Size: 24.5 x 36.5 inches
Price: SOLD

Description:

Unrecorded variant of a rare French Chart of San Francisco Bay and Environs

Rare separately issued sea chart of the Environs of San Francisco Bay, published by the French Depot de la Marine in 1865 and revised to 1871.

The chart is based upon the work of A.D. Bache and the US Coast Survey in 1862.

The chart extends from Bodega Bay in the North, to the Monterey / Pt. Pinos Lighthouse. In the interior of the map, it extends to Napa, Petaluma and the confluence of the Sacramento and San Joaquin Rivers.

The chart includes detailed soundings, light houses and sailing directions.

The chart is extremely rare. OCLC locates only the copies at the Bancroft (1865) and British Library (1865), with no examples of the 1871 corrected edition located.
