United States [Double Wide Arkansas]

Stock#: 4770
Map Maker: Kelly
Date: 1835
Place: London
Color: Hand Colored
Condition: VG+
Size: 10 x 7.5 inches
Price: SOLD

Description:

Attractive and highly detailed map of the United States, extending West nearly to the Rocky Mountains and showing an extensive look at the Missouri and Mississippi River Valleys and tributaries. The most notable feature of the map is the double wide Arkansas configuration, one of the rarest of American Territorial mapping features. Only a handful of collectable maps of the US show this unusual territorial configuration and only 1 or 2 separate maps of Arkansas show this configuration. A fine example of this desirable map.
