Interesting map of the Northeastern part of the United States, bounded by New England, New York, Pennsylvania, Virginia, Delaware, Maryland, New Jersey, etc.

Indiana appears in northern Virginia. Connecticut reserve appears on the Cayahoga River. The shapes of Vermont and Rhode Island are very odd.

A number of forts are shown south of Lake Erie and Lake Ontario. The "Township of the Six Nations" is shown north of Lake Erie. A distorted District of Main is shown, with little exploration into its northern interior.

Decorative vignette of Niagara Falls. A marvelous early map.
