Description:

Early Blueprint Map of the Southwestern Portion of Mills County, Texas, identifying land owners and oil drilling.

The map is bisected by the Colorado River.

We have dated the map based upon the claims of Hufstutler (Huffstutler -- both spellings appear), whose name appears in various newspaper articles and oil journals as a rancher and apparently leasee or otherwise involved in the Oil Industry in Mills County, Texas, in the later 1910s.
