Description:

Scarce regional map of the Lyon, Forest, Beaujolais and Macon region, oriented with south at the top.

This is a rare variant edition of Jean Le Clerc's map of 1619, with the scale of miles revised, the Le Clerc credit removed and other changes.

The map shows the Rhone River and Saone River at the bottom (east) side of the map, with the towns of Lyon and Macon.

The Loire River runs across the center of the map, from Bourbon-Lancy in the north to Rohanne (Roanne) in the center of the map and St. Etienne and S. Rambert further south.
