## Lorraine vers Septentrionale

**Stock#:** 48660  
**Map Maker:** Anonymous / Bouguereau  
**Date:** 1640 circa  
**Place:** Paris  
**Color:** Uncolored  
**Condition:** VG+  
**Size:** 13.5 x 18.5 inches  
**Price:** \$275.00

### Description:

Rare late edition of Francois Bouguereau's map of Lorraine region, first published in 1594.

The map shows the northern part of Lorraine, based upon an earlier map by Mercator.

This edition has the credit of Bouguereau (and later imprint of Le Clerc) removed and the cartouche revised, but is definitely the original plate.
