Description:

Interesting transitional map of the Northwest. While Oregon and Washington Territory have now established their borders, Idaho is in its most massive configuration, including large parts of Montana and Wyoming. Shows early routes of exploration, towns forts, rivers, lakes, mountains, mines, Indian lands, early counties and a host of other details.

SA Mitchell Jr. acquired his father's former business from DeSilver in 1860 and relaunched a very successful atlas publishing business which survived another 20+ years, before licensing and selling off much of his inventory and rights.
