**Description:**

Highly detailed map of Eastern Asia, from Japan and Southeast Asia to Usbekistan and India.

This map is De L'Isle's prototype map of the region, which would become the base map for the next 30 years, until the D'Anville / Du Halde series of maps of China were issued.

Fine detail in the Philippines and Southeast Asia, the results of the expanded charting of these regions by the Dutch, French and English during the preceding decades.

**Detailed Condition:**

Two sheets, joined top and bottom.
