Description:

First state of Pierre Du Val's map of Africa, published in Paris in 1664.

In the second edition, Du Val adds the words "Reveue et Augmentee". In the third edition of 1684, the Du Val Imprint is changed to "Mlle. Du Val".

The map provides an extensive, if at times fanciful mapping, of the interior parts of Africa.

The sources of the Nile are shown as Lake Zaire, Lake Saflan and a series of smaller lakes in "Abissinie or Haute Ethiopie."
