Description:

Rare sea chart of the west coast of Madagascar, showing the Bays of Saint Augustin and Tullea (Tulear) Bay, published in London by Laurie & Whittle.

The chart covers part of the modern day Atsimo-Andrefana Region from Toliara to Saint Augustin and Soalara in the district of Toliara II. The mouth of the Darmouth or Onilahy River is also noted. The map also includes 5 profile views, showing approaches to the harbors.

This map was based on the surveys in 1755 and 1768 and was published by Laurie and Whittle. The chart would have been issued both separately and in one of several very rare atlases published by Laurie & Whittle, covering the route from England to China and Australia, with primary focus on the coastal regions of the Indian Ocean, Southeast Asia, the South China Sea and China Sea, issued between approximately
