### Description:

A marvelous map of Jamaica, with the Parishes shown in outline color.

This map was issued as a section of the Italian edition of Mitchell's map of the British Settlements in North America. However, this particular part of the map is unique to the Zatta edition and cannot be found on the English or any other edition of the map. Zatta issued his version of the 12 sheet map as part of his *Atlante Novissimo*.
