Description:

Old color example of this detailed regional map of Berg, Marck and Cologne, from Mercator's *Atlas Sive Cosmographia*, with a revised credit to Henricus Hondius, following his acquisition of the Mercator Atlas plates in 1606.

The second state, with Hondius' imprint, was used only for a few years and is scarce on the market.

The map covers a large section of the lower Rhine River, from south of Frankfurt to well north of Cologne, and extends east to Cassell and Waldeck.

Detailed Condition:

Old Color. Minor toning.
