### Description:

Fine example of Santini's map of the British and French Colonies in North America, based upon D'Anville's seminal map of 1746.

The map provides a highly detailed treatment of the Great Lakes and Mississippi Valley on the eve of the American Revolution.

The map shows numerous French forts throughout, along with substantial Indian detail, along with a massive Texas and Louisiana. One of the best large format maps of the region during the latter part of the 18th century, based upon D'Anville's map of North America.
