Description:

Nice example of Covens & Mortier's map of the Holy Land, with tribal divisions and a wealth of place names and topographical detail, including the locations of royal and priestly cities, and sanctuaries.

Decorated with two fine cartouches. The title cartouche includes four figures; at top Moses and Aaron flank the royal coat of arms, and at bottom a Roman soldier and a pagan figure appear on either side of the Arc of the Covenant.

The lower mileage-scale cartouche features the Almighty creating the animals.
