### Description:

Fine example of Fielding Lucas' rare map of North Carolina, which distinguished him as a top publisher of the era.

The state is hand colored by counties, showing towns, rivers, roads, forts and other places of interest.

Lucas' maps are printed on a higher quality paper than contemporary maps by Carey & Lea and demonstrate a superior engraving quality and more attractive coloring style. Lucas' maps are highly desirable and increasingly scarce.

Only a few of Lucas' state maps were issued in a double page format.

An essential map for North Carolina collectors.
