Description:

Striking example of Fielding Lucas' fine early map of Massachusetts, perhaps the rarest atlas map of the state from this period.

Lucas' maps are printed on a higher quality paper than contemporary maps by Carey & Lea and demonstrate a superior engraving quality and more attractive coloring style.

The state is hand colored by counties, showing towns, rivers, roads, and other places of interest. Lucas' maps are highly desirable and scarce on the market.

Detailed Condition:

Original hand-color.
