Description:

Rich full color example of this early map of Vermont, from the second edition of Carey & Lea's Atlas.

The map includes wonderful contemporary details concerning the topography, indigenous lands, rivers, climate, towns, manufacturing, commerce, education, history, population by county, and other information.

Roads, towns, rivers, and lakes are included on map. Flags indicate "places remarkable for battles and sieges".

Carey & Lea's Atlas is highly prized not only for its cartographic information but for the marvelous information about each of the states and territories included. The atlas was issued in 6 editions in English, French and German between 1822 and 1827.

Detailed Condition:

Some foxing.
