Description:

Scarce and highly detailed map of the region extending from Lake Michigan to the St. Lawrence River and the Atlantic. The Ohio Indians are noted, with numerous Indian Villages in Michigan and Ohio. Marvelous detail in Pennsylvania, New York, which extends to the North side of the St. Lawrence and New England. Heavily annotated throughout the map. The map also notes roads, rivers, mountains, lakes, towns, forts, Indian Settlements and a host of other important features. An excellent post-French & Indian War map.
