### Description:

Rare map of New Hampshire, published by Fielding Lucas in Baltimore.

The map is hand colored by counties and shows towns, roads, lakes, rivers, political boundaries, and other features.

Striking example of Fielding Lucas' fine work, which distinguished him as the best publisher of the era. Lucas' maps are highly desirable and increasingly scarce. His maps are printed on a higher quality paper than contemporary maps by Carey & Lea and demonstrate a superior engraving quality and more attractive coloring styles.
